FELIZ DÍA DE LA MADRE  
*Happy Mother's Day!*

# *¡Feliz Primero de Mayo!*

Durante este mes de mayo celebramos el rostro materno de Dios dedicando el mes a María, la Madre de Jesús y nuestra Madre. También recordamos a ese rostro materno mas cercano en la mujer que Dios nos regaló como Mama, no solo la madre que nos dio a luz, pero también todas esas figuras maternas que nos rodean. Les invitamos durante este mes de mayo a elevar una oración por todas las mujeres del mundo, para que podamos ejercer la vocación a la que todas hemos sido llamadas. El Papa Juan Pablo II escribía en la Carta Apostólica Mulieris Dignitatem de San Juan Pablo II sobre la Dignidad y La Vocación de la Mujer en el 1998 (30) "Si la dignidad de la mujer testimonia el amor, que ella recibe para amar a su vez, el paradigma bíblico de la «mujer» parece desvelar también cuál es el verdadero orden del amor que constituye la vocación de la mujer misma. Se trata aquí de la vocación en su significado fundamental, —podríamos decir universal— que se concreta y se expresa después en las múltiples «vocaciones» de la mujer, tanto en la Iglesia como en el mundo. La fuerza moral de la mujer, su fuerza espiritual, se une a la conciencia de que Dios le confía de un modo especial el hombre, es decir, el ser humano. Naturalmente, cada hombre es confiado por Dios a todos y cada uno. Sin embargo, esta entrega se refiere especialmente a la mujer —sobre todo en razón de su femineidad— y ello decide principalmente su vocación". Nuestra vocación es vivir y compartir el aspecto materno que trae vida, que inspira fuerza, que renueva, que acoge, que abraza y que nutre. Que el caminar con la virgen María durante este mes de mayo nos ayude a renovar la vocación de cada mujer teniendo como modelo a María, madre de Dios y madre nuestra. Que desde nuestra vocación maternal sepamos discernir las formas en las cuales podamos acompañar engendrando vida desde la fe y ministerio de todos los que nos rodean. Que aprendamos también de San José hoy en su fiesta como Trabajador, a ser humildes y confiados en la voluntad de Dios.

## *Happy First of May!*

During this month of May we celebrate the maternal face of God by dedicating the month to Mary, the Mother of Jesus and our Mother. We also remember that closest maternal face in the woman that God gave us as Mama, not only the mother who gave birth to us, but also all those maternal figures that surround us. We invite you during this month of May to raise a prayer for all the women of the world, so that we can exercise the vocation to which we have all been called. Pope John Paul II wrote in St. John Paul II's Apostolic Letter *Mulieris Dignitatem* on the Dignity and Vocation of Women in 1998 (30) "If the dignity of women bears witness to the love she receives in order to love in turn, the biblical paradigm of 'woman' also seems to reveal what is the true order of love that constitutes the vocation of woman herself. It is a question here of the vocation in its fundamental meaning, we could say universal, which is concretized and then expressed in the many "vocations" of women, both in the Church and in the world. The moral strength of woman, her spiritual strength, is united to the awareness that God entrusts to her in a special way man, that is, the human being. Naturally, every man is entrusted by God to each and every one. However, this dedication refers especially to women - above all because of their femininity - and this mainly decides their vocation". Our vocation is to live and share the maternal aspect that brings life, that inspires strength, that renews, that welcomes, that embraces and that nourishes. May walking with the Virgin Mary during this month of May help us to renew the vocation of every woman with Mary, Mother of God and our mother, as our model. From our maternal vocation may we know how to discern the ways in which we can accompany by engendering life from the faith and ministry of all those around us. May we also learn from St. Joseph today on his feast as a Worker, to be humble and confident in the will of God.

# TESTIMONIO

Desde que emigré desde de Venezuela, tuve el propósito de continuar mi formación teológica. Había terminado el Baccalaureato en teología en la Universidad Pontificia Salesiana con sede en el ITER, Caracas, y quería continuar con una Maestría. Pero, al estar recién llegado, tenía que superar las limitaciones del nivel de inglés requerido y los altos costos de una Maestría en Teología. Pero el SEPI, en sociedad con la Universidad de Barry, fue la oportunidad perfecta para realizar la Maestría en Ministerio Pastoral Hispano al tener un programa totalmente en español, a un costo bastante accesible y con una metodología muy práctica. Hoy, después de haber terminado la Maestría, recuerdo con agradecimiento a los miembros de la oficina administrativa, a los profesores y a los compañeros con quienes el Señor me permitió fortalecer mi formación teológico-pastoral y con quienes fui descubriendo el modo que tenemos los hispanos de ser Iglesia en los Estados Unidos. Esta maestría me ha ayudado a fundamentar y a desarrollar planes y actividades pastorales en la Parroquia de Corpus Christi y en el ministerio musical que voy desarrollando con la ayuda del Señor. Por último, en mi carrera educativa, la maestría me ha ayudado en mi proceso de certificación como maestro en el estado de la Florida.

*Since I emigrated from Venezuela, I had the purpose of continuing my theological training. I had finished the Baccalaureate in theology at the Salesian Pontifical University based in ITER, Caracas, and I wanted to continue with a Master's degree. But, as a recent immigrant, I had to overcome the limitations of the required level of English and the high costs of a Master of Theology. But SEPI, in partnership with Barry University, was the perfect opportunity to do the Master's in Hispanic Pastoral Ministry by having a program entirely in Spanish, at a fairly affordable cost, and with a very practical methodology. Today, after finishing my Master's degree, I remember with gratitude the members of the administrative office, the professors and the colleagues of SEPI with whom the Lord allowed me to strengthen my theological-pastoral formation and with whom I discovered the way we have the Hispanics to be Church in the United States. This master's degree has helped me to base and develop pastoral plans and activities in Corpus Christi Parish and in the musical ministry that I am developing with the help of the Lord. Finally, in my educational career, the master's degree has helped me in my process of certification as a teacher in the state of Florida.*

¡El deseo de toda mujer!

## LA MUJER: REINA E INDOMABLE

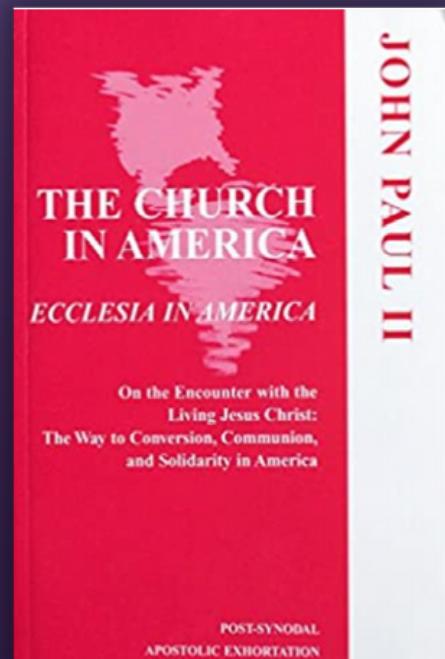

Linda Jarosch y Anselm Grün presentan en estas páginas catorce figuras femeninas tomadas de la Biblia, para mostrar una serie de atributos que toda mujer posee: artista y sabia, amante y maternal, risueña y combativa, reina e indomable, entre otras, con el fin de ayudar a las mujeres a descubrir su ser más específico y a vivir la riqueza interior de su femineidad. Además, estas imágenes pretenden indicar a las mujeres el camino a seguir si desean sanar las heridas que les producen las falsas imágenes de la mujer, así como ofrecerles apoyo para encontrar su propia integridad, su propia "salvación".
