YESTERDAY, TODAY,
AND TOMORROW

SEPI's Second Theology Conference | July 18 - 25, 2025

We invite you to SEPI's **2nd Theology Conference: The Church, Yesterday, Today, and Tomorrow**. Together we will be able to deepen the biblical roots of the Church, the origin of our Tradition, and the prophetic response that our world needs. Through conferences, prayer, and group discussions, we can find the keys that illuminate the path to the future that is opening up.

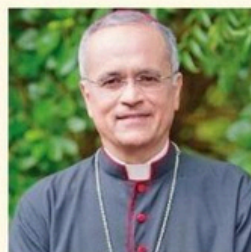

As Church, we are living a special moment after the election of a new Pontiff, Leo XIV, while we are still remembering the life and legacy of Pope Francis. Significantly, both popes emerge from a Latin American church, one by birth and the other by adoption. This makes us realize the wealth that comes out of our lands. We have a mission to carry out here and now, for this we need to prepare ourselves, to know our faith, to know our Church. This conference is open to anyone who wants to know more about the Catholic Church and its Tradition. We look forward to seeing you at SEPI on **July 18-29, 2025!**
