

CONFERENCE

Diaconado Permanente

FORMATION FOR FORMATORS

JULY 14, 15, 16 & 17 2025

The conference will focus on those whose ministry is the formation process for the Permanent Diaconate but also for those who want to collaborate with team members that have information that will engage bilingual and bicultural options; seeking to integrate Hispanic participants into a diverse community.

Given the growth of Hispanic communities in the United States and diverse formation practices, we will focus on the best resources for Hispanic permanent diaconate formation with opportunities to reflect together and share the best tools from Spanish formation programs.

This four-day event allows for collaboration and sharing of resources to help support permanent diaconate formation programs for Hispanics.
